Educational Technology Project Management

The Basics

Sept 20

V 1.0

The EduTec Alliance

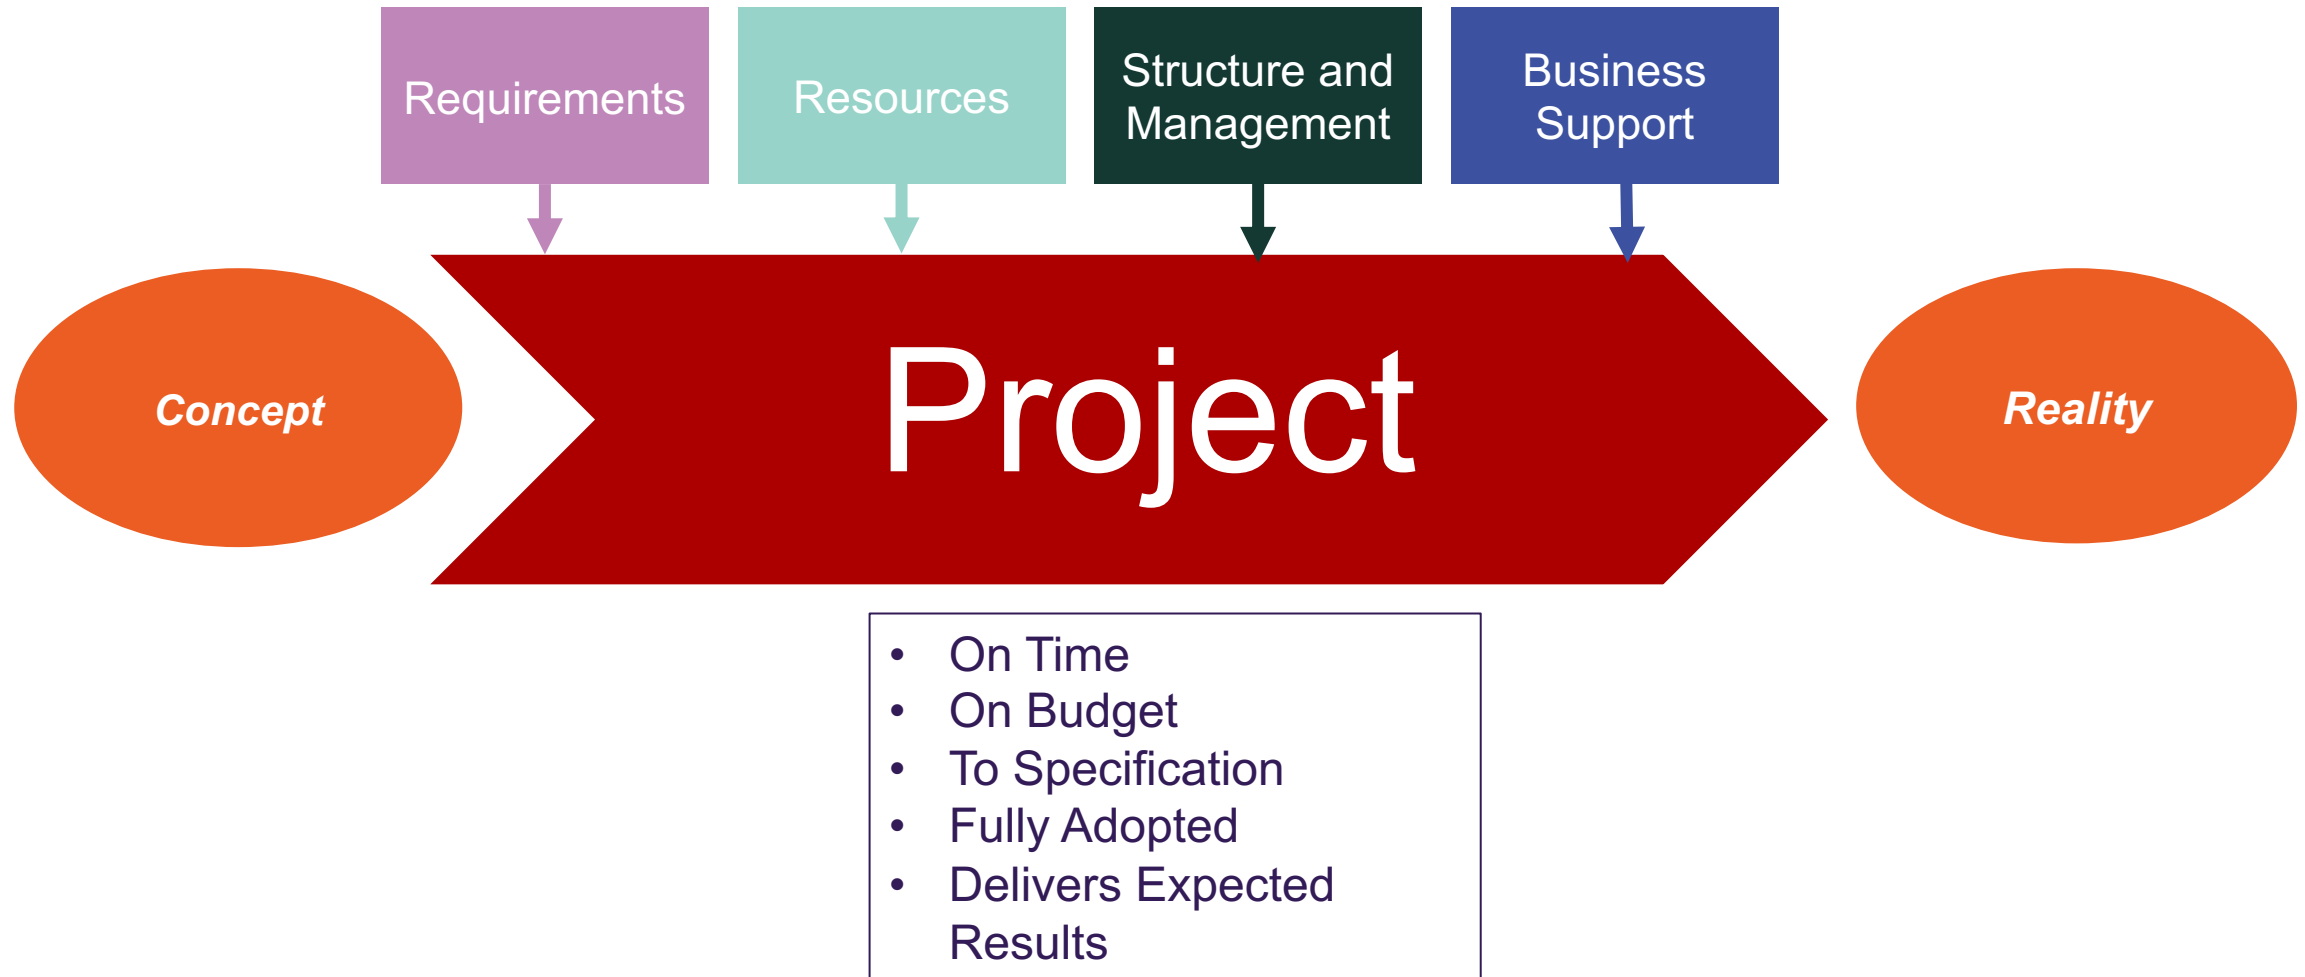

What we're going to cover today

- Projects
 - What's a Project
 - What's the Difference Between a Project and a Programme
 - Keys to Project Success
- The EduTec Alliance Approach
 - The Three Project Phases: Think, Build, Operate
 - The Box Model
 - Think to Build Transition
- Why Projects Fail

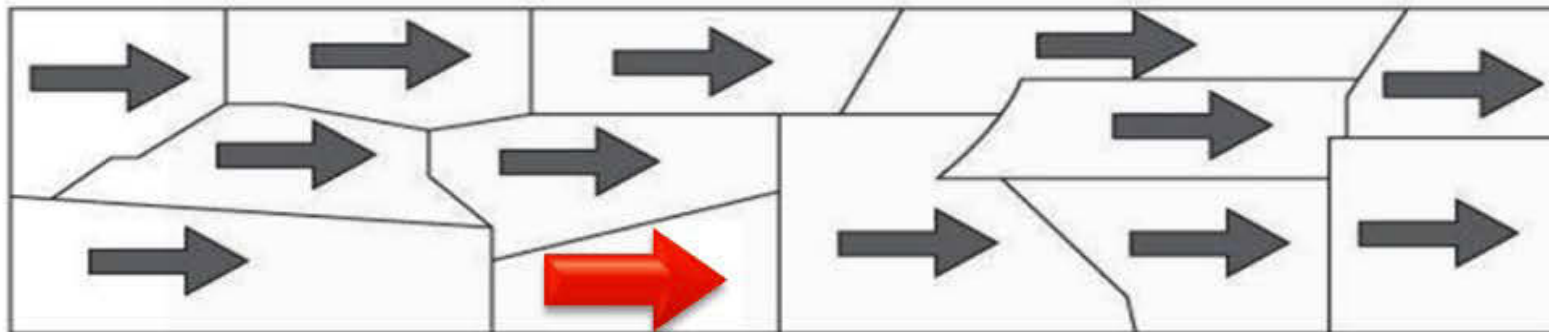

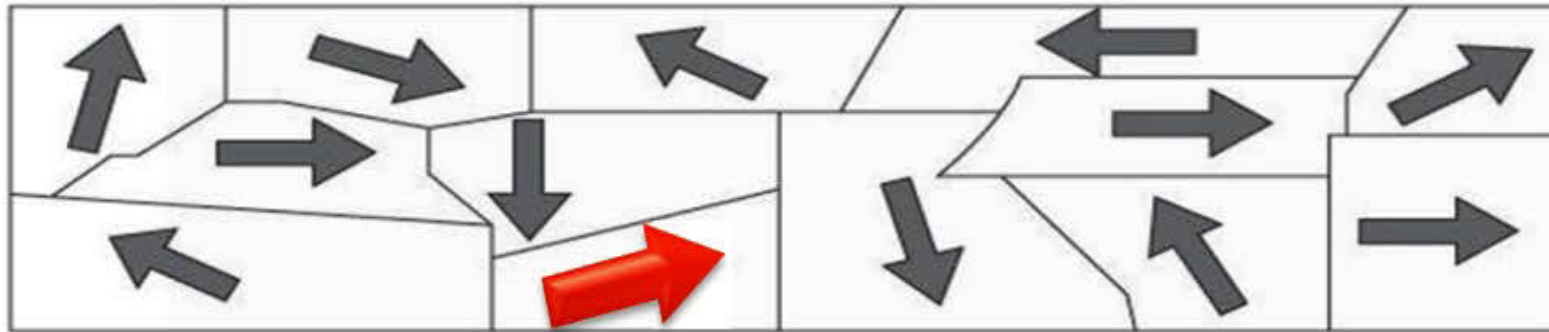

Projects

What's a project?

So what's the difference between a Project and a Programme?

The Keys to Project Management Success

It's all about reducing risk!!
